Interested in Learning About PVAAS?

Here are some options to learn more about PVAAS, when it works for your schedule!

PVAAS Virtual Learning Modules (VLMs)
Below is a suggested order in which to view some “beginner-level” Virtual Learning Modules.

- Concept of Growth
- Value Added Reports
  - Math/ELA Grades 4-8
  - Science, Keystone Biology, Literature, Algebra I
- Teacher Specific Reports
- Quintile Diagnostic Reports
- Student Projections

Accessing the PVAAS Virtual Learning Modules
When viewing the PVAAS public reporting site or the password-protected reporting site, users can click on the “e-Learning” button located at the top right of the screen.

A list of all available Virtual Learning Modules will then be displayed, both report-based and concept-based modules.

To access a Virtual Learning Module, simply click on the hyperlinked title of the VLM.

Guide to PVAAS Reporting

This guide is located on the PVAAS login page under Guides to Reporting. It is a great resource to learn about:

- Achievement vs Growth
- The Concept of Value Added
- The Benefits of Value Added
- A Look at PVAAS Reports
- FAQs

Take me to the PVAAS login page to get started!
