(4) A copy of the appeal must be served by mail upon the secretary of the AVTS/CTC board or joint operating committee of the entity whose decision denying admission is being appealed.

(1) Upon receipt of an appeal, the answer and the certified record of proceedings before the AVTS/CTC board or joint operating committee that made the decision on appeal, the chair of the State Board will designate a member of the State Board or another person to serve as presiding officer to establish a record and to make a recommendation for decision to the State Board.

(2) Acting in accordance with the General Rules of Administrative Practice and Procedure (1 Pa. Code Part II), the presiding officer will conduct such proceedings as he shall deem necessary and proper to enable the State Board to make a decision.

(3) Upon the conclusion of all necessary proceedings, the hearing officer shall file with the State Board the certified record, a proposed decision and a recommended order either affirming or reversing the action of the AVTS/CTC board or joint operating committee of the entity that denied admission.
