Background
The purpose of the Safe Schools Initiative Targeted Grants is to assist school entities by providing funding for programs under their comprehensive safe school plans. This includes the planning and implementation of activities that prevent or reduce violence by and against youth on school property and/or transportation to and from school and for security–related training. Funds must be used in accordance with the criteria identified in Act 26 of 1995 as amended by Act 70 of 2013 (24 PS 13-1302A (c) & (c.1)) and fulfill the requirements of the guidelines set forth by the Pennsylvania Department of Education (PDE) as indicated in this request for application.

Grant Information
PDE’s Office for Safe Schools is pleased to issue this request for applications for school entities to fund programs which address school safety and violence in the following areas:

1. Conflict resolution or dispute management, including Restorative Justice strategies;
2. Positive behavior support;
3. Risk assessment or violence prevention curricula;
4. Classroom management;
5. Development of Student Codes of Conduct;
6. Training to undertake a district-wide assessment of risk factors that increase the likelihood of problem behaviors among students;
7. Development and implementation of research-based violence prevention programs addressing risk factors to reduce incidents of problem behaviors among students including, but not limited to bullying;
8. De-escalation and behavior interventions; and
9. Comprehensive, district-wide school safety, violence prevention, emergency preparedness and all-hazards plans, including revisions or updates to such plans and conducting emergency preparedness drills and related activities with local emergency responders including risk assessment and training.
Grant applications must be submitted via the PDE’s eGrants system and will be awarded on a competitive basis.

The application submission window is from **June 6, 2016, to July 14, 2016**, at 11:59 PM.

**Eligibility**
For the purposes of this grant “school entity” shall be defined as a public school district, intermediate unit, charter school or area vocational-technical school. Only one proposal will be accepted from each school entity and no guarantee of funding is made to any applicant. Applicants may not join together to apply as a consortia.

Applicants that apply for the Safes Schools Targeted Program grant may not apply for the Safe Schools Targeted Grant - Equipment.

**Goals of the Safe Schools Targeted Grant for Programs**
The goals of PDE’s Safe Schools Targeted Grant for Programs are:

1. To assist schools in reducing unnecessary student disciplinary actions and promote a climate of greater productivity, safety and learning;
2. To assist schools in the professional development of staff in research-based violence prevention programs and classroom management programs;
3. To assist schools in enhancing and coordinating antiviolence efforts between the school and professional, parental, governmental, law enforcement and community organizations and associations;
4. To assist schools in the development, facilitation and enhancement of a comprehensive safe schools plan; and
5. To assist schools in procuring the resources and training necessary to create a physical environment that fosters the safety and well-being of students and staff.

In order to accomplish these goals, school entities must assess their risk factors and needs, and will be required to provide statistical data to support their proposal.

**Funding**
PDE’s Office for Safe Schools Grant offers school entities the opportunity to apply for competitive funding up to $25,000. Funds may be expended only on the programs and activities identified in the proposal and approved by PDE’s Office for Safe Schools. Funds expended beyond the identified and approved programs and activities will not be reimbursed by PDE’s Office for Safe Schools.

Funding requests can include a combination of any of the eligible programs stated in this request for application.

**Costs for safety and security consultants to conduct security audits is limited to 50% of the total grant.**
Costs for the reproduction of emergency plans and flipcharts is limited to 20% of the total grant.
