To register for a workshop, please send an e-mail with the following information to RA-VetEd@pa.gov:

- Name(s) of person(s) attending
- Institution you will be representing
- E-mail address of each person attending
- Telephone number of each person attending

Registrations will conclude two weeks prior to each workshop.

Over the past four years the State Approving Agency has been assisting VA with Compliance Surveys. In most cases errors discovered in processing veterans education benefits can be traced to School Certifying Officials who have not attended any formal training offered by this office. Therefore, we are encouraging all School Certifying Officials to attend one of our April 2016 workshops.
