

SCHOOL DISTRICT

ADMINISTRATIVE  
REGULATION

246-AR-3. FUNDRAISERS

Fundraising projects must be submitted for district approval in accordance with Board policy. School fundraising activities will be approved with consideration of the following:

1. Fundraising activities held during the school day involving the sale of food will be limited to or will permit only foods that meet the established nutrition standards.
2. Sales of foods of minimal nutritional value during the school day will be prohibited.
3. Availability of any food items sold as part of a fundraising activity will be restricted until at least thirty (30) minutes after the last lunch period.
4. Fundraising activities that promote physical activity will be encouraged.
5. Foods sold as fundraisers and available for sale outside of the school day that support healthy eating habits by limiting high sugar and high fat content will be encouraged.
