

## Proposed PIMS Change Request Posting

### Title: Retirement of Unused Student Status Codes

*PDE Program Office:* Division of Data Quality

*Purpose of collection or modification:* To reduce LEA collection of data that is not utilized by PDE, we are recommending retirement of several unused student status codes.

*Estimated Burden to LEA:* LEAs and their SIS vendors can remove the logic and/or efforts to identify the students in the retired student status code sets.

*Rationale:* In an effort to continue searching for ways to reduce data collection burden from LEAs, by annually reviewing PIMS data collections, the data elements, data owners, and data utilization.

*Impacts PIMS collection window:* Collection windows (1,3,4,5 and Full Year) Student Template, Student Snapshot Template.

*New/modified data elements (related to PIMS Template):* Student Template, Student Snapshot Template
