

Proposed PIMS Change Posting

Title: **Elimination of SES/School Choice annual collection**

PDE Program Office: **Division of Federal Programs**

Purpose of collection or modification: **To eliminate this data collection, as it is no longer needed.**

Burden to LEA: **Impact should be minimal, as we are actually lessening the data collection burden of LEA and SEA staff.**

Rationale: **In Pennsylvania's proposed ESEA flexibility waiver, School Choice and SES no longer exist, therefore the data no longer needs to be collected.**

Impacts PIMS collection window: **Will remove this collection from the PIMS collection window #1, data set C1 SES/S Choice 13-14 (beginning with 2014-15 version, which would have been collected in fall 2015).**

New/modified data elements (related to PIMS Template): **N/A, as all data elements related to this collection are being eliminated.**

Interested persons are invited to submit comments to RA-PIMSComment@state.pa.us *on or before 05/29/2015.*
