

## Proposed PIMS Change Posting

**Title: New LEP/ELL Status Code**

*PDE Program Office: Division of Data Quality and Information Technology*

*Purpose of collection or modification:* LEAs who are accurately reporting students as LEP/ELL in the Student template, but who do not administer the program, must request a Data Exception Request each time they upload the Student template.

*Burden to LEA:* This would cause minimal to no burden on the LEA.

*Rationale:* This code would eliminate the need for LEAs to request a Data Exception Request, which would lessen the workload for the LEA and PDE.

*Impacts PIMS collection window:* PIMS collection window Full Year in Student data set

*New/modified data elements (related to PIMS Template):* Student and Student Snapshot templates, LEP/ELL Status (field 41), add new code ""98 - 01- Current ELL - ESL or Bilingual Instruction provided by another LEA."

*Interested persons are invited to submit comments to [RA-PIMSComment@state.pa.us](mailto:RA-PIMSComment@state.pa.us) on or before 05/29/2015.*
