

Installation Instructions for the AFR Update File (PDE-2057)

Download the AFR Update File, **sdafr12_R5_FEU.exe** to the PC where the AFR package currently resides:

- Click the AFR Update File link on the PDE website
- Click Save - save the file to the sdafr12 folder within the C drive.
- Click Close when the Download Complete message appears

Install the update file:

- Locate the sdafr12 folder on your computer
- Find and double click the AFR update file, **sdafr12_R5_FEU.exe**
- At the prompt: Click OK
- When the next screen appears, click the Unzip button, you will then get a message that 2 files have been successfully unzipped.
- Click OK
- Close the WinZip self extractor window

The next step in the process is to open the AFR and click the Install Updates button located on the main menu. Once this is done the update process is complete.
