NEW DATA GROUPS

The table below lists the new data groups that will be collected. These data groups will be collected using an *EDFacts* collection tool.

Data Group Name	DG ID	Used for indicator
Teacher evaluations ¹	737	(a)(4)
Teacher performance level names New!	747	(a)(4)
Principal evaluations ²	738	(a)(7)
Principal performance level names New!	748	(a)(7)
HS graduates postsecondary enrollment	739	(c)(11)
HS graduates postsecondary credit earned	740	(c)(12)
Persistently lowest-achieving schools	741	(d)(3), (d)(4), (d)(5) and (d)(6)
Charter school closure reason	742	(d)(12)

In addition to the above data groups, metadata on the number of allowed charter schools would be collected for indicator (d)(7).

As described in the final requirements for the SFSF, if a State is currently able to fully collect and publicly report the required data or other information at least annually, the State must provide the most recent data or information with its plan. If a State is not currently able to fully collect or publicly report the data or other information at least annually, the plan must describe the State's process and timeline for developing and implementing the means to do so, as soon as possible, but no later than September 30, 2011. The State plan must describe the State's collection and public reporting abilities with respect to each individual indicator or descriptor.

¹ SEAs would also submit metadata on the meaning of the levels in the evaluation system for teachers.

² SEAs would also submit metadata on the meaning of the levels in the evaluation system for principals.

Indicator (a)(4)

If the district's **teachers** receive performance ratings or levels through an evaluation system, the number and percentage of teachers rated at each performance rating or level

This indicator requires the addition of two new data groups.
