

## Western Montgomery Career and Technology Center

**Program Title:** Culinary Arts

**Goals/Objectives:** Integration of high school social studies unit and culinary preparation.

**Description:**

One of our sending district's high school special needs classes studies a unit on the Titanic. Culinary Arts class prepared an actual menu from the ship. Graphic Arts prepared reproductions of the actual menu on the Titanic.

**Evaluation Tools & Procedures:**

Students were able to connect actual history to modern learning. The students were able to research the food and beverages on the Titanic and then plan and prepare a portion of the menu.

**Results of Activity:**

A Second Class menu was prepared and served in period specific costume. Reproductions of menus were printed by Graphic Arts. A local chamber orchestra provided period specific music during the meal.

**Resources and Other Related Information:**

N/A
