						FSA 11 LRE	<p>The LEA will implement the following course of action to address LRE for students with disabilities in OTHER settings with a number of stakeholders with the goal of examining what supplementary aids and services should be in place to support students with disabilities with their transition to the home district and neighborhood school.</p> <p>Course of Action:</p> <ol style="list-style-type: none"> 1. Begin conversations with private/other educational entities (such as Merakey, Soaring Heights) regarding the current IP and potential steps needed to address LRE in the Bellefonte Area School District. 2. Work with staff from these schools to identify students who have expressed an interest in returning to the home school and/or for whom staff feel would be appropriate to begin a transition back to the home school. 3. Once students have been identified, identify individual student strengths, needs, and barriers for successful transition to the home school. Work with parents and agencies to develop a plan for students. This plan could include, but not be limited to: individualized behavior plans and contracts, visitations to home school and/or career and technical school. 4. Craft a timeline for each student to include progress monitoring on specific goals designed to foster transition to a less restrictive setting. Establish times to “meet and discuss” with students, parents, and school staff to review data. Plan will be on going and dynamic and could change as needed. 5. BASD Director of Special Education will observe individual students and classrooms in each setting and discuss any issues with both school staff and Compliance Advisor, Shannon Eye.
