8	1	0				GE 85. Do you have sufficient time to collaborate with the special education teacher in order to meet this student's needs?			
7	1	1				GE 85a. Have you received sufficient training, technical assistance and other support to teach this student?			
0	0	8				GE 85b. If no, what training or support would assist you? Additional training in how to meet needs more effectively. More information about the student's needs and growth in other areas would help.			
9	0	0				GE 93. Do special education personnel work directly with you to help you reduce negative student behaviors?			
9	0	1				SE 95. Is this student participating in the general education class and curriculum with students without disabilities to the maximum extent possible?			
7	1	2				SE 95a. In the most recent IEP meeting for this student, did you discuss whether he/she could be educated in a general education classroom for the entire school day?			
6	2	2				SE 95b. In the most recent IEP meeting, did the IEP team recommend removal of this student from the general education classroom for any part of the school day?			
0	0	4				SE 95c. If yes, what reasons were discussed for recommending removal? Special education transition goals-needed to improve skills. Needed extra support and needed to be removed from general education for it. The pace, flow and chunking of material would need tremendous modifications and accommodations. The team determined that due to needs, would benefit more from a small group classroom. Not making progress in math. Need for support outside of the classroom.			
0	0	4				SE 95d. If yes, how was the amount of time that this student would be removed from the general education classroom decided?
