						<p>FSA 16- State Assessment Participation- Prior to the Pandemic the district saw 91 IEP student opt outs in the 18-19 school year for both PSSA and PASA testing. During the 19-20 school year all state testing was halted as a result of the COVID-19 Pandemic. Opt outs for IEP students, and all students, increased significantly the year students returned to in person instruction presumably due to a mixture of students learning virtually and being unwilling to come in to school to test and also parents eliminating an added stressor for students during this first year of a return to school. In the 21-22 school year, our number of IEP opt outs was commensurate again with the pre-pandemic numbers. In analyzing our data from the 21-22 school year, we are sitting at 95.62% participation which puts us in compliance. Despite this, we added the following action items below to assure participation rates are within compliance.</p>	<p>Action Plan:</p> <ol style="list-style-type: none"> <li>1. Review student IEPs who have PASA indicated in the IEP and confirm appropriateness of PASA or PSSA with case managers. <ul style="list-style-type: none"> <li>A. We have already begun to analyze those students placed in PASA who have non-traditional eligibility categories and either re-evaluate these students, or analyze the parameters of the students qualifications.</li> </ul> </li> <li>2. Review data with assistant superintendent who receives parents requests for opt out and share the 95% participate goals will all staff members</li> <li>3. LEA training to reiterate the important in the assessment for parents who may indicates that they are considering a request to opt out of PSSA</li> <li>4. Encourage individual schools to host parent information sessions to encourage participation</li> <li>5. Share data with out of district school to be sure assessments are being recorded accurately in the IEP, and engage our out of district placements with our in district training.</li> <li>6. Refine and develop a data collection system to align with the DRC accountability files reporting system to accurately account for the the parent opt out requests, to include approval/ disapproval consistent among school buildings in real time</li> </ol>	<p>07/20/2024</p> <p>PaTTAN LEA Leadership Team School Assessment Coordinators District Assessment Coordinator</p>
