						The District needs to complete its multi-year process to eliminate the clustering of special education classrooms in one wing of the second floor of the Elementary building.	EVIDENCE OF CHANGE: The District will submit Special Education Plan Revision Notices (SEPRNs) documenting classroom changes which eliminates clustering of special education classrooms on one wing on the second floor at Schuylkill Valley Elementary School, before the start of the 2019-20 school year.	08/26/2019 District resources; BSE resources are available if requested	08/23/2019
						The District needs to develop and implement a written procedure to ensure that, for students for whom it reports a crime to the police, student information is shared only to the extent permitted by FERPA regulations. The procedure must contain an element whereby the Special Education Director is notified of the police involvement on the same date as the crime report is made to the police, so that these special protections for eligible students can be triggered effectively and documented properly. 						FSA 19A Teacher Survey Results	Using the information obtained from the Teacher Survey, the District will develop an Improvement Plan to ensure that all of its personnel are informed of their regulatory responsibilities to serve students in their individually-determined Least Restrictive Environment (LRE) regardless of the disability category or level of need the students exhibit. In addition the Improvement Plan will include additional training on a variety of inclusive practices which will help teachers to support special education students assigned to their classrooms. EVIDENCE OF CHANGE: Posting of the related Improvement Plan before 12/3/2019 will permit closure of this item.	12/15/2019 District resources; IU and PaTTAN resources are available if requested.	07/19/2019
						5 – Posting this IP will allow closure of FSA #11 – LRE The District will complete the two parts of this Improvement Plan (IP). 1. The District will review and revise as needed, or verify, that its counting and reporting procedures and practices result in accurate data for educational environments, especially for students with Autism at the high school level, who are receiving services in community settings, where there is an opportunity for interaction with typically-abled peers and other community members; 2. The District will initiate the Positive Behavior Support activity known as “Check and Connect”, as articulated by PaTTAN and IU 14, for students with Autism and/or those who have behavior supports in their IEPs, especially those at the high school level, as one means to build capacity to serve students in less restrictive settings.	EVIDENCE OF CHANGE: The District will provide to the Advisor before the due date, a memo which references the LRE data reported for SY 2018-19, for SY 2019-20, and for SY 2020-21, particularly for high school level students with Autism who are receiving services in settings with typically-abled peers for more than 80% of the school day. The memo must also present an analysis of the trend observed in this data. If the data for the “more than 80% of the school day” settings category does not meet or exceed the State Performance Plan (SPP) target by the 12 /1/2020 Child Count, additional improvement planning may be required.	01/29/2021 District resources; IU and PaTTAN resources are available if requested.	
						#6 – Posting this IP will allow closure of FSA 15A – Parent Survey The District will engage in at least two previously-unused methods of promoting trainings offered to parents of special education students. The topic of one of the trainings will be the educational implications of various disabilities, for special education students. The second training can be a topic of District choice, using the information provided in the Parent Survey as a guide. The District will collect data about parent attendance at the trainings and draw conclusions as to the effectiveness of the two previously-unused methods of promoting the training opportunities.	EVIDENCE OF CHANGE: The District will provide a memo to the Advisor before the due date, which details the two previously-unused training promotion methods and discusses its conclusions as to their effectiveness, based upon parent attendance data.	07/31/2020 District resources	06/05/2020

						#7 – Posting this Improvement Plan will allow closure of FSA #19A – Teacher Survey The District will provide at least three training opportunities for regular and special education personnel, building-level administrators, and central office administrators, paraprofessionals, and parents. EVIDENCE OF CHANGE: The District will provide to the Advisor before the due date, copies of the training agendas and sign-in sheets for the attendees (or similar documentation of attendance) showing attendees' name and role within the District.	07/31/2020 District resources; IU & PaTTAN resources are available if requested.
