						<p>FSA 11- . FSA-LEAST RESTRICTIVE ENVIRONMENT Standard: The LEAs continuum of special education services supports the availability of LRE under 34 CFR Part 300. 2017-7.7%; 2018-6%; 2019-5.3% Over the past three years, our data has seen a steady decrease. In the year the audit reviewed, we had 7.7% of our students in out of district placements. In 2018, we had 6% of students in out of district placements and in 2019 we had 5.3% of students in out of district placements. We are still waiting for the data for this coming year. In the 2019-2020 and 2020-2021 school years, SSD has had 7 students move in from other school districts who were already learning in out of district placements. There was one student who required a higher level of service through the early intervention process who now attends George Crothers' School. We placed three students through the IEP process. We have had 3 students return back to in-district programming. We continue to reevaluate every student's progress to move them to the most appropriate Least Restrictive Environment. We feel we are fair in our assessment and do our best to bring students back when they will be successful.</p>	<p>Information from the past 2 school years is as follows: 7 students moved in 4 students placed through the IEP process 3 students brought back 3 students aged out in 2020 2 students moved prior to the 2020-2021 school year</p> <p>Evidence of Change: In order to address our area of need we will do the following: 1. A representative from Springfield School District will continue to attend every IEP meeting for students educated outside our five buildings. 2. Progress reports are reviewed on a regular basis to determine student progress 3. Once the full team determines that the student is ready to return to in-district programming, a plan for transition will be created for the child to return. 4. Our percentage of students referred by Springfield to APS/licensed schools will decrease</p>	08/26/2023

						11A. FSA-LEAST RESTRICTIVE ENVIRONMENT - 80% or higher Standard: The LEAs continuum of special education services supports the availability of LRE under 34 CFR Part 300. 2017 - 63.8% District, 64.1% SPP 2018 - 66.3%, District, 64.1% SPP 2019 - 69.1% District, 64.1% SPP	<p>Springfield School District prides itself on including students to the maximum extent possible. As you can see, our data is trending up. We believe that we noticed this when working on our Special Education Plan. This is something that we believe the staff do not always look at when writing an IEP even though we stress this step the most.</p> <p>Evidence of Change:</p> <p>In order to address our area of need we will do the following:</p> <ol style="list-style-type: none"> 1. Provide professional development to our special education teachers in the area of LRE and in the use of our excel LRE calculator to ensure the information is being calculated correctly. 2. Provide professional development to our general education teachers for including students with disabilities in the general education classroom 3. Monitor the data to be sure students are in the just right place for learning and that the LRE is appropriate. 	<p>08/26/2023</p> <p>Quarterly reviews over the next 3 years. 2020- 2021 2021- 2022 2022 - 2023 Pattan IU 25 support and trainings LEA administrative supports BSE</p>
