PENN*LINK Mailing Lists

Only those who have valid PENN*LINK addresses (or Internet addresses to which PENN*LINK mail has been officially forwarded) are authorized to send to these lists. A password is required.

If you use the PENN*LINK service, you may want to copy the names of the lists you use frequently into the Address Book or Nicknames file of your email software. That way it will be available to you whenever you need to send to that lists.

If you have any comments, suggestions or questions, please send email to PENN*LINK, PDE (ra-edweb@pa.gov).

NOTE: email addresses on this page are displayed in a manner that will deter automatic address harvesting programs. This step is taken to reduce unsolicited email sent to PENN*LINK lists. Even though messages addressed to these lists from unknown users are rejected by our serve, this will reduce the load on our email server. We regret any inconvenience caused for our legitimate PENN*LINK users.

How to address messages to lists below
In the listing below, you will see a list name prefix, followed by a description of who you will reach with that list. In the first example: all-aps is the list name prefix, and “Special Education approved private schools with PENN*LINK accounts” is the description of who you will reach. To address messages to list on this page, please type the list name prefix followed by @lists.cas.psu.edu.
