- Approaches to learning through play
- Language and literacy
- Cognitive development
- Health, wellness, and physical development
- Social and emotional development

DIAGNOSTIC ASSESSMENTS AS NEEDED

FORMATIVE ASSESSMENTS

SUMMATIVE ASSESSMENTS

COMPILE DATA TO INFORM STAKEHOLDERS
- Educators
- Administrators
- Families
- Policymakers
- Instructional leaders

MAKE INFORMED DECISIONS
- Improved instruction/interactions
- Program improvement
- Policy/change
- Accountability

SCREENINGS

PROGRAM-LEVEL ACTIONS
HIGH QUALITY EARLY LEARNING PROGRAMS:
- Intentionally link Standards-Instruction-Assessments
- Provide support for assessments and feedback
- Complete ongoing assessments (including screenings)
- Report outcomes based upon program requirements
- Perform screenings—45 days within first enrollment
- Conduct Kindergarten Entry Inventory within 45 calendar days

STATE-LEVEL ACTIONS
- Develop and maintain ELN/PELICAN (Unified Early Childhood Data System)
- Create curriculum and assessments frameworks to be aligned with the Pennsylvania Learning Standards for Early Childhood
- Promote effective learning environment
- Approve assessments
- Promote children’s and educator-child interactions
- Promote family engagement
- Ensure appropriateness of assessments for special populations, e.g., DLLS, learning disabilities
- Build and support human capacity (professional preparation and development/opportunities to use data)
