GENERAL DESCRIPTION OF SCORING GUIDELINES
FOR SCIENCE OPEN-ENDED QUESTIONS

2 – The response demonstrates a thorough understanding of the scientific content, concepts, and procedures required by the task(s).

The response provides a clear, complete, and correct response as required by the task(s). The response may contain a minor blemish or omission in work or explanation that does not detract from demonstrating a thorough understanding.

1 – The response demonstrates a partial understanding of the scientific content, concepts, and procedures required by the task(s).

The response is somewhat correct with partial understanding of the required scientific content, concepts, and/or procedures demonstrated and/or explained. The response may contain some work that is incomplete or unclear.

0 – The response provides insufficient evidence to demonstrate any understanding of the scientific content, concepts, and procedures as required by the task(s) for that grade level.

The response may show only information copied or rephrased from the question or insufficient correct information to receive a score of 1.

Special categories within zero reported separately:

BLK (blank) – No response or written refusal to respond or too brief to determine response
OT – Off task/topic
LOE – Response in a language other than English
IL – Illegible
