Create a Keystone Account and Migrate Existing Application Roles

Overview
On December 19th, 2019 external educational users will no longer be able to log in to MyPDESuite with their PAlogin username and password.

Users will need to register a Keystone Login account and use that to log in to MyPDESuite.

If they had application roles associated with their old PAlogin account, they must migrate their existing application roles.

CWOPA users do not need to do anything, they may continue login with their current CWOPA credentials.

Create Keystone Login Account

2. Complete the Keystone Login Registration page. Fields marked with an asterisk are required. After completing the registration form click ‘Register’. If successful you will be automatically redirected back to the MyPDESuite Login page.
Migrate Existing Application Roles (Optional)
If you have existing application roles tied to your PALogin username you can migrate those roles so that when you log in with your new Keystone Login username you will see your applications.

1. Click the ‘Migrate Existing Application Roles (Optional)’ link:
2. To migrate your existing application roles you must enter both your old PALogin credentials as well as your Keystone Login credentials and click ‘submit’.

If you do not know your PALogin password you can reset it here: 
https://palogin.state.pa.us/Login/Home/ForgotPassword

If you do not know your Keystone Login password you can reset here:  
https://keystonelogin.pa.gov/Account/ForgotPassword

If you receive this message: “PALogin account already mapped to a Keystone account” it means that you already registered a Keystone account and migrated it.
