The screenshot shows a web browser displaying a binder titled "Digging Deeper Into Content Areas" by the PVAAS Statewide Team for PDE. The binder is organized into tabs: "Introduction", "English Language Arts (ELA)", "Mathematics", and "Science". The "English Language Arts (ELA)" tab is selected. Below the tabs, there are sub-tabs for "ELA - comprehensive version" and "ELA - consolidated version". The main content area displays the binder's title and subtitle: "DIGGING DEEPER INTO CONTENT AREAS" and "Questions at the District/School and Teacher Level: English Language Arts (ELA) Grades 3-5, 6-8, Keystone Literature". A small icon of an open book is visible next to the subtitle. The text "COMPREHENSIVE VERSION" is displayed at the bottom of the content area. A URL is visible above the content area: <http://www.livebinders.com/media/get/MTIwMzI5MTQ=>. Red callouts point to various elements: "Binder you're viewing" points to the binder title; "Binder Content" points to the main content area; "Tabs" points to the top navigation tabs; and "Sub Tabs" points to the sub-tab area.
