

# Flowchart for Teachers: PVAAS Reports to Plan for the Current Year's Students!

---

The power in PVAAS comes from using key PVAAS reports to inform the work you do every day as a teacher. The flowchart graphic on the following page highlights those key reports as you use them to:

- Engage in Self-Reflection
- Set Classroom Goals & Priorities
- Plan for Individual Students
- Provide Differentiated Instruction
- Collaborate with School Data Team Colleagues
