		The officer possesses a high school diploma or its equivalent and has two years' work experience in evaluating secondary level work, or two years of experience as the supervisor of secondary level home education programs.
		The officer is not a family member of the candidate for the diploma.
		Blank diplomas are maintained by the association in a secure location and controlled by using a registration or numbering system that will protect the authenticity of diplomas awarded by the association.
		The association maintains standards and procedures that verify appropriate education, which include, but are not limited to; general contents, methods and materials used to accomplish goals and objectives, a listing of required assignments including reading composition and research assignments, assessment criteria and procedures.

Association Graduation Criteria *(Please respond yes or no to each statement below.)*

Yes	No	Graduation Criteria
		The association has written procedures for determining if the candidate has met the requirements for graduation as follows: documentation for grades 9-12 to assure the candidate has met minimum standards of Section 1327.1(d) of the PA School Code requiring four years of English, three years of mathematics, three years of science, three years of social studies and two years of arts and humanities.
		The association has documentation that the candidate has studied all of the subjects between grades 7-12 that are required by Section 1327.1 of the school code at the secondary level, specifically, English to include language, literature, speech and composition; science, geography; social studies, to include civics, world history, history of the US and Pennsylvania; mathematics, to include general mathematics, algebra, and geometry; art; music; physical education; health; and safety education, including regular and continuous instruction in the dangers and prevention of fires.
		The association has established procedures to be used by its evaluators for determining when credits are awarded including transfer credits from our-of-state home education program.
		The officer will review the annual written evaluation of educational progress and the documentation (such as a transcript) of high school records signed by its evaluators and determine that the candidate received an appropriate education during each year in a PA Home Education program and that the candidate has met the requirements.

Association Evaluation Criteria *(Please respond yes or no to each statement below.)*

Yes	No	Evaluation Criteria
		The evaluator will assure that home education took place for 180 days or 990 hours of instruction each year.
		Materials submitted for review contain required elements of a log of reading materials used; sample of any writings, worksheets, workbooks or creative materials used or developed by students.
		The evaluator has signed documentation such as a transcript of high school records awarding credits based upon the standards of the association.
		Students with disabilities will be provided appropriate accommodations.
		The evaluator will consider any attendance or participation in public or nonpublic school activities.

Verification of Challenges/Approvals *(Please respond yes or no to each statement below.)*

Yes	No	Verifications
		The association will require written verification from the supervisor of the home education program that a review for non-compliance of the candidate home education program by the superintendent of the district of residence has not been filed and that a due-process hearing is not pending.
		Incorporated within the by-laws or written procedure is a statement that prohibits the issuance of a diploma to any candidate whose educational program is under review or pending a hearing for non-compliance until such time as the review is completed or the superintendent or hearing officer has determined that appropriate education has occurred.
