2014-15 ECYEH Unique and Duplicate Counts by Reporting Entity

The total is served population (26,273). The definition of served includes children experiencing homelessness who have been served in any way through McKinney-Vento funds. The served population includes children and youth ages birth through 21 that are not enrolled in schools.

Unique count is where a student is identified as homeless AND attributed either because their Pennsylvania System of School Assessment (PSSA) was attributed to this LEA or they were enrolled the longest in this LEA. The unique count is used for SEA reporting in EDFacts.

Duplicate count is where a student is identified as homeless. They may be identified in more than one LEA. The duplicated count is used for LEA reporting in EDFacts.
