**Pennsylvania Department of Education Office for Safe Schools  
Targeted Grants for School Police Officer  
Request for Application  
2018-2019**

**Background and General Information**

The purpose of the Office for Safe Schools' Targeted Grants for School Police Officer (SPO) is to assist school entities and non-public schools in funding programs, which address school violence by establishing or enhancing school security, including costs associated with the training and compensation of SPOs. The grant is designed to provide funds to enable the placement of SPOs into schools across the commonwealth. Priority for the grant funds will be given to those non-public schools that utilize SPOs that meet certain priority statutory requirements outlined below.

Funds must be used in accordance with the criteria identified in sections 1302-A and 1303-A of the Pennsylvania School Code. Grant recipients must fulfill the requirements of the guidelines set forth by PDE's Office for Safe Schools as indicated in this request for application.

PDE's Office for Safe Schools will allocate funds through a competitive grant review process. A non-public school will submit its application via the eGrants system. Grants may be submitted for each school within a school entity. However, applications related to a second or an additional school or schools within a school entity will be considered only after the first round of all applications have been reviewed and awarded. School entities applying for funding for more than one school within the school entity should clearly delineate which school's application should be considered in the first round.

**There is no guarantee of funding.** All grants are competitive and reviewed based on meeting the application requirements and statutory priorities.

The application submission window is from May 14, 2018 to July 31, 2018 at 11:59 PM.

**Nonpublic schools are eligible to apply for funding to be used for the costs associated with obtaining the services of a school police officer from a list of approved vendors certified by PDE's Office for Safe Schools. Grant awards for this purpose shall be awarded and paid directly to the approved vendor with which the nonpublic school contracts for services.**

**Funding**

The maximum individual grant for the 2018-2019 grant cycle is \$40,000 for school police officers. Funds may be expended on contracted services only. Funds expended beyond the identified and approved programs and activities will not be reimbursed by PDE.

Each grantee must commit to and sign an agreement that it will fund the SPO for at least two years. Should the General Assembly continue to fund this grant for school year 2019-20, grantees will be eligible to receive 50 percent of the allocated amount without reapplication. For example: if your grant budget request is \$39,032.62 and the amount allocated is \$39,032.62 in the first year, you are eligible for up to \$19,516.31 in the second year

Section 2. Section 778 of the act, amended or added June 25, 1997 (P.L.297, No.30) and July 4, 2004 (P.L.536, No.70), is amended to read:

Section 778. School Police Officers.--(a) Any school entity or nonpublic school may apply to any judge of the court of common pleas of the county within which the school entity or nonpublic school is situated to appoint such person or persons as the board of directors of the school entity or administration of the nonpublic school may designate to act as school police officer for said school entity or nonpublic school. The judge, upon such application, may appoint such person, or so many of them as he may deem proper, to be such school police officer and shall note the fact of such appointment to be entered upon the records of the court. The judge may, at the request of the school entity or nonpublic school, grant the school police officer the power to arrest as provided in subsection (c)(2), the authority to issue citations for summary offenses or the authority to detain students until the arrival of local law enforcement, or any combination thereof.

(a.1) Any school entity or nonpublic school which employs a school police officer under this section shall report annually to the Department of Education, Office of Safe Schools, the following information regarding school police officers receiving training as required under 53 Pa.C.S. Ch. 21 Subch. D (relating to municipal police education and training):

- (1) The identity of the school entity or nonpublic school and the number of school police officers it employs.
- (2) The municipalities comprising the school entity or in which the nonpublic school is located.
- (3) The date and type of training provided to each school police officer.

(b) Every school police officer so appointed shall, before entering upon the duties of his office, take and subscribe to the oath required by the seventh article of the Constitution, before an alderman or justice of the peace or prothonotary. Such oath shall be filed by the justice of the peace, alderman, or prothonotary among his papers, and a note made upon his docket of the fact of the oath having been taken.

(b.1) Every school police officer who has been granted powers under subsection (c)(2) or (3) or has been authorized to carry a firearm must, before entering upon the duties of his office, successfully complete training as set forth in 53 Pa.C.S. Ch. 21 Subch. D or have graduated from the Pennsylvania State Police Academy and have been employed as a State trooper with the Pennsylvania State Police.

(c) Such school police officer so appointed shall severally possess and exercise all the following powers and duties:

- (1) To enforce good order in school buildings, on school buses and on school grounds in their respective school entity or nonpublic school. For purposes of this clause, the term "school bus" shall include vehicles leased by the school entity or nonpublic school to transport students and vehicles of mass transit used by students to go to and from school when the school police officer is responding to a report of an incident involving a breach of good order or violation of law.

(2) If authorized by the court, to exercise the same powers as are now or may hereafter be exercised under authority of law or ordinance by the police of the municipality wherein the school property is located.

(3) If authorized by the court, to issue summary citations or to detain individuals until local law enforcement is notified.

(d) Such school police officer shall, when on duty, severally wear a metallic shield or badge with the words "School Police," and the name of the school entity or nonpublic school for which appointed. Such shield shall always be worn in plain view when on duty except when employed as detective.

(e) The compensation of such school police officers shall be paid by the school entity or nonpublic school for which the school police officers are respectively appointed, as may be agreed upon between the board of school directors or administration of the nonpublic school and the school police officer.

(f) School entities or nonpublic schools and municipalities may enter into cooperative police service agreements pursuant to 42 Pa.C.S. § 8953(e) (relating to Statewide municipal police jurisdiction) and 53 Pa.C.S. § 2303 (relating to intergovernmental cooperation authorized) to authorize the exercise of concurrent jurisdiction with local law enforcement within the municipality where the school or school entity or nonpublic school is located or within the municipality in which a school event or activity will take place.

(f.1) (1) If a school is located within a municipality where no municipal police department exists, the school entity or nonpublic school may enter into a cooperative police service agreement pursuant to 42 Pa.C.S. § 8953(e) and 53 Pa.C.S. § 2303 with a municipality providing full-time police coverage that is located adjacent to the school. At least thirty (30) days prior to executing a cooperative police service agreement under this subsection, the school entity or nonpublic school shall provide written notice of its intent to enter into the agreement to the municipality where the school is located. A copy of the executed agreement shall be provided to the commanding officer of the Pennsylvania State Police installation that provides primary police services to the municipality where the school is located.

(2) A cooperative police service agreement entered into under this subsection shall only pertain to actions taken on school property pursuant to the agreement and shall not affect the jurisdiction of the Pennsylvania State Police.

(g) When acting within the scope of this section, school police officers shall, at all times, be employees of the school entity and shall be entitled to all of the rights and benefits accruing therefrom.

(h) Nothing in this section shall be construed to preclude a school entity or nonpublic school from employing other security personnel as the school entity or nonpublic school deems necessary.

(i) As used in this section, "school entity" shall have the same meaning given to it under section 222(c).

## **Appendix E - Basic Education Circular**

### **Background Checks of Prospective Employees; Conviction of Employees of Certain Offenses**

#### **Act 24 of 2011 Changes to 24 P.S. §1-111**

##### **PURPOSE**

Act 24 of 2011 (Act 24), signed into law on June 30, 2011, significantly amended Section 111 of the Pennsylvania Public School Code, which requires background checks for employees of public and private schools, intermediate units and area vocational-technical schools (AVTS), including independent contractors and their employees. The purpose of this circular is to provide school administrators with guidance concerning the duties imposed on them as the result of these important amendments.

##### **BACKGROUND**

Added to the School Code by Act 34 of 1985, Section 111 for the first time required background checks for prospective employees of public and private schools, intermediate units and AVTS, including independent contractors and their employees, except those employees and independent contractors and their employees who have no direct contact with children.

For ease of reference, unless otherwise specified, this circular refers to all persons who are subject to the provisions of Section 111 as "school employees," regardless of the person's actual employment position.

Under the 1985 law, prospective school employees who were residents of Pennsylvania were required to obtain state police background checks and non-resident prospective school employees were required to obtain federal background checks. The 1985 law expressly exempted any school employee who was employed as of the law's effective date (January 1, 1986) from obtaining state or federal background checks as a condition of continued employment. The law also provided that once a school employee had obtained a background check, the school employee would not be required to obtain a new background check to transfer to another school in the same school district or established and supervised by the same organization. Under the Charter School Law, passed in 1997, 24 P.S. § 17-1724-A, all individuals (which the law states expressly includes volunteers) having direct contact with children must have Section 111 background checks.

Section 111 was substantially amended by Act 114 of 2006 to require state and federal background checks for all prospective school employees. Act 114 also clarified that the definition of employee includes, without limitation, teachers, substitutes, janitors, cafeteria workers, independent contractors and their employees, and bus drivers, unless such persons have no direct contact with children. These amendments also specified that student teacher candidates must have Section 111 background checks before participation in any classroom teaching, internship, clinical or field experience.

The primary responsibility for ensuring that the requirements of Section 111 are met for each school entity falls upon school administrators and those other persons responsible for employment decisions in the school entity. Section 111 requires that the school administrator or other person responsible for employment decisions in a school entity review the background check reports and determine whether prospective employees, contractors or their employees are barred from positions in which they will have contact with children before hiring the applicant

or before contracting. The reports must be kept on file by the school administrator, together with a notation as to who reviewed the report.

Under the previous version of Section 111, in effect before September 28, 2011, no person was to be employed at a public or private school, intermediate unit or AVTS if the criminal background check indicated that he or she had been convicted of a Section 111(e) offense in the five years preceding the criminal history report. Section 111 also specifies that student teacher candidates are not permitted to participate in classroom teaching, internship, clinical or field experience if Section 111 would prohibit their employment as a teacher. Under these provisions, administrators of educator preparation programs are required to review background checks for student teacher candidates to determine whether the student teacher candidates are suitable for field experience.

Section 111 authorizes the Department to determine violators of the section and, following a hearing, assess a civil penalty on a school administrator of up to \$2,500 for any willful violation of Section 111. The Department has previously issued a Basic Education Circular describing the procedures that will be followed by the Department when investigating alleged violations of Section 111. See *Basic Education Circular 24 P.S. § 1-111 Violations of Background Checks*.

The Department's guidance concerning enforcement matters will be separately updated at a later date to reflect the additional requirements of Act 24.

Despite the important safety features of Section 111, before the passage of Act 24, Section 111 contained a number of limitations that restricted the criminal history information that was available to school administrators. Most importantly, because the provisions of Section 111 have previously applied only to prospective school employees and exempted current school employees from coverage, any school employee who has been continuously employed in the same school district since 1986 has not been required to have any background check. Any school employee hired between 1986 and 2007 continuously employed in the same school district has had to have only a state background check, unless he or she was a non-resident.

These exemptions may have been perceived as potentially disparate treatment of current and prospective employees. In addition, since Section 111 requires background checks only at the time of application, and permits background checks to be up to a year old at the time of application, school administrators may not have been sure if a prospective school employee had been arrested or convicted since the date of the background check.

## **ACT 24 REQUIREMENTS**

### **Intent**

The Act 24 amendments to Section 111 are designed to enhance the safety of students. These changes include additions to the list of the most severe offenses contained in subsection (e), for which there is now a lifetime ban on employment; broadened protections to ensure that those convicted of similar offenses under former laws and outside of Pennsylvania are also included; a tiered system for offenses in addition to the lifetime bans included in Section 111(e); and the creation of reporting requirements for current and prospective employees arrested or convicted of Section 111(e) offenses. Importantly, the amendments provide school administrators with the information they need to know as to whether or not employees have been arrested for or convicted of Section 111(e) offenses. Another consequence of Act 24 is to equalize the treatment of current and prospective employees with respect to disclosure of arrests for or convictions of Section 111(e) offenses.

### **Brief Summary of Key Provisions**

The Section 111 amendments made by Act 24 were effective on September 28, 2011.

Act 24 adds several additional offenses under the Pennsylvania Crimes Code that specifically qualify as Section 111(e) offenses, including such offenses as institutional sexual assault, luring a child into a motor vehicle or structure, and solicitation of minors to traffic drugs.

The amendments also clarify that, in addition to the specifically listed offenses, similar offenses under the laws or former laws of the United States, one of its territories or possessions, another state or the District of Columbia, Puerto Rico, foreign nations or under a former law of Pennsylvania, will also constitute Section 111(e) offenses.

The amendments also increase the period of disqualification for Section 111(e) offenses. The previous version of the law prohibited a school employee from being employed where the school employee's background check showed that the school employee had been convicted of a Section 111(e) offense within five (5) years of the date of the background check. Under Act 24, a person convicted of a Section 111(e) offense is permanently excluded from school employment if he or she has been convicted of a Section 111(e) offense at any time.

The Act 24 amendments include an important mechanism to help ensure that *current* school employees, who may not have been subject to previous background checks, are now required to provide assurances that they have not been previously arrested or convicted of Section 111(e) offense. Accordingly, under Act 24, the Department was required to develop a form to enable current and prospective school employees to report arrests and convictions of Section 111(e) offenses to their school administrator.

The amendments also require that if a school administrator has a *reasonable belief* that an employee was arrested or convicted of a Section 111(e) offense and the employee has not notified the school administrator of such arrest or conviction, the school administrator must require the school employee to submit to new Section 111 background checks at the expense of the employing entity.

Act 24 also deletes an exemption that had previously permitted certain persons under 21 in a job development or job training program to work at schools for up to 90 days without a background check. These persons will now be required to have the pre-employment background checks required by Section 111.

## **INSTRUCTIONS TO SCHOOL ADMINISTRATORS CONCERNING THE ARREST/CONVICTION REPORT AND CERTIFICATION FORM PDE-6004**

### **Availability of Form to School Administrators**

In accordance with the requirements of Act 24, the Department developed and on September 24, 2011, published in the *Pennsylvania Bulletin* the Arrest/Conviction Report and Certification Form, known as the PDE-6004. The form is available on the Department's website.

### **Dissemination by School Administrators to School Employees**

School administrators are responsible for disseminating the PDE-6004 to their employees. School administrators are urged to make copies of the PDE-6004 available to their current employees as soon as possible, together with instructions on when the form is due. As provided in Act 24, the PDE-6004 must be completed and submitted by any employee of a public or private school, intermediate unit or AVTS who has been arrested or convicted of a Section 111(e) offense after September 28, 2011, within 72 hours of the arrest or conviction.

In addition, by December 27, 2011, the PDE-6004 must be completed and submitted by all current school employees indicating whether or not they have ever been arrested or convicted of a Section 111(e) offense.

The PDE-6004 must be returned to the school administrator at the address specified when PDE-6004 was provided to the employee. School administrators should also note to school employees that the PDE-6004 should not be submitted by employees directly to the Department. With respect to applicable reporting by year end, the Department urges school administrators to make sure that the form is completed by school employees and is submitted to the school administrator as soon as possible, and in no event later than the statutory deadline of December 27, 2011. Any delay in collecting the forms may delay the identification of persons who should not be allowed to have contact with children.

### **School Administrator Forms**

School administrators should return their own PDE-6004 to the person or entity that is responsible for hiring them.

### **Employment Applications**

Although not specifically required by Act 24, the Department strongly recommends that school administrators require prospective school employees to submit the PDE-6004 as part of an employment application.

### **Independent Contractors/Student Teacher Candidates**

School Administrators are required to have the PDE-6004 completed and returned by independent contractors and their employees, including, without limitation, PIAA-registered sports officials. All PIAA sports' officials, as independent contractors, must complete the PDE-6004 for all PIAA member schools by Tuesday, December 27, 2011.

To assist PIAA-registered sports' officials in this process, the PIAA has developed an interactive PDE-6004 for submission to the PIAA Officials' database and is available by clicking on this link: <http://www.piaa.org/officials> . This form will be saved in the PIAA Officials' database and will be able to be accessed by all PIAA member schools. Higher education administrators are required to have the form completed and returned by student teacher candidates.

### **Arrests**

The intent of the PDE-6004 is to provide school administrators with information concerning certain past acts of people who have direct contact with children. In that context, the Department takes a broad view of what constitutes an arrest. The established law in Pennsylvania is that an arrest is accomplished by any act of law enforcement personnel that indicates an intention to take a person into custody and subjects the person to the control of the person making the arrest. Accordingly, an "arrest" does not require, for example, that a person have been to a police station or have been fingerprinted. Whether or not charges have been subsequently withdrawn or an incident shows on the background check also is not determinative of whether or not it was an arrest for purposes of Act 24. It is important to keep in mind that the arrests that must be reported according to PDE-6004 are for Section 111(e) crimes only, crimes such as criminal homicide, kidnapping, among other severe crimes, for which there should usually be little confusion as to whether or not an arrest has actually taken place. The Department recommends that if any school employee has any doubt about whether or not there was an arrest, he/she should err on the side of disclosing the event. It will be the school administrator's responsibility to inquire into the circumstances of the reported event.

### **Non-Section 111(e) Offenses/Expunged Records**

In accordance with Act 24, the PDE-6004 does not require a school employee to report an arrest or conviction for any offense not specified under Section 111(e). Specifically, the report does not require employees to report arrests or convictions for offenses that are enumerated under Section 111(f.1).

In addition, it is the Department's view that Act 24 and PDE-6004 do not require an employee to disclose an arrest or conviction that has been legally expunged in accordance with applicable law. School administrators and school employees should be cautioned, however, that not all criminal charges are legally capable of being expunged or, if capable of being expunged, have actually been legally expunged. School administrators are advised to consult their solicitor in the event that an employee claims that an arrest or conviction has been expunged.

### **Refusal to Return Form**

If a school employee refuses to return the PDE-6004, Section 111 requires that the school administrator direct the employee to submit to the state and federal background checks required under Section 111.

School administrators should consider discipline of the employee for failure to submit the PDE-6004, for failure to submit to a required background check, or for failure to report an offense that was required to be reported.

School administrators who willfully fail to ensure that school employees return the PDE-6004 in accordance with Section 111 and fail to order background checks for those refusing to return the PDE-6004 may be subject to the penalties of Section 111 and appropriate educator discipline proceedings.

### **SCHOOL ADMINISTRATOR REVIEW OF SUBMITTED PDE-6004**

School administrators are required to review PDE-6004 forms submitted and determine if the report discloses any information that requires further action. The PDE-6004 should be kept in the employee's personnel file together with a notation as to the school administrator who reviewed the PDE-6004.

### **Incomplete, Unclear or Altered Forms.**

If a PDE-6004 submitted by a school employee is incomplete, unclear or altered, the administrator should follow-up with the employee for further information and require the resubmittal of the form if necessary. For example, if the employee has noted a positive response in Section 2 of PDE-6004 (e.g., to report an arrest or conviction) and has failed to indicate whether the positive response was for an arrest or conviction, the administrator should ask the employee to provide this information.

If the school employee fails to comply with resubmittal or clarification instructions, the school administrator should treat the action as a failure to submit the PDE-6004 and require the employee to be subjected to a background check.

### **Reports Indicating a Conviction**

Section 111(e) states that "no person subject to this act shall be employed" in a school where a criminal background report indicates he/she has been convicted of a Section 111(e) offense.

If a PDE-6004 indicates a conviction for a Section 111(e) offense, the administrator should initiate termination proceedings in accordance with local procedure.

### **Reports Indicating an Arrest**

If the PDE-6004 indicates an arrest for a Section 111(e) offense, the school administrator likely would need to inquire further into the facts underlying the arrest. Section 111 does not specifically require the termination of employees for arrests for Section 111(e) offenses.

## **False Reports**

False reports under Section 111 are subject to criminal prosecution. A school administrator who believes that a school employee has falsified the PDE-6004 should report the matter to the district attorney where the school is located and to the Department for consideration of professional discipline.

## **BACKGROUND CHECK FOR REASONABLE BELIEF OF SECTION 111(E) ARREST OR CONVICTION**

If a school administrator has a reasonable belief that any school employee was arrested or convicted of a Section 111(e) offense and the school employee has not notified the school administrator of such arrest or conviction, the school administrator must require the school employee to submit to new Section 111 background checks at the expense of the employing entity. School administrators should consider discipline of any employee who fails to submit to a required background check. School administrators who willfully fail to order background checks for those school employees whom they reasonably believe may have been arrested or convicted of a Section 111(e) offense may be subject to the penalties of Section 111 and/or educator discipline proceedings.

## **REPORTS TO THE DEPARTMENT**

Under Section 9.1 of the Professional Educator Discipline Act (24 P.S. § 2070.9a), the superintendent, assistant superintendent, executive director of an IU, chief administrator of an AVTS, or career and technology center, administrator of a charter school, or their designees, are required to report to the Department all instances of employees reporting an arrest or conviction noted on the PDE-6004 or which is otherwise known to them as the result of background checks or otherwise. The report must be made on a mandatory report form which can be found on the Department's website. The report form must be filed within 30 days of the receipt of information concerning the arrest or conviction and must include all available information concerning the indictment or conviction.

The completed mandatory report form with supporting documentation should be sent to: Pennsylvania Department of Education, Office of Chief Counsel, 333 Market Street, 9th Floor, Harrisburg, PA 17126-0333.
