PA Department of Education's Proposed Grant Application
under Part B of the Individuals with Disabilities Education Act for FFY 2024

Public comment is invited regarding the Pennsylvania Department of Education's (PDE) proposed grant application under Part B of the Individuals with Disabilities Education Act (IDEA-B) for FFY 2024. The annual grant application provides, in part, assurances that the State's policies and procedures in effect are consistent with the federal requirements to ensure that a free appropriate public education is made available to all children with a disability from age 3 through 21, including children who have been suspended or expelled from school.

In addition, PDE seeks public comment on revisions to its Significant Disproportionality procedures, specifically its standard for measuring reasonable progress as set forth in 34 CFR § 300.647(d)(2). In addition to defining reasonable progress as a reduction in the risk ratio of 0.25 or greater per year for two consecutive years, PDE seeks to define reasonable progress as also including a reduction in the risk ratio of 0.5 or greater over a period of two consecutive years. The purpose of this revision is to expand the way local educational agencies may demonstrate reasonable progress.

The public participation requirements relevant to Part B are set forth in the Part B regulations at 34 CFR § 300.165 and in section 441(b)(7) of GEPA at 20 U.S.C. § 1232d(b)(7). In accordance with these requirements, and prior to submitting a State plan and/or adopting any policies and procedures needed to comply with Part B (including any amendments to those policies and procedures), the State must ensure reasonable opportunities for participation by local agencies, representatives of the class of individuals affected by this program and other interested institutions, organizations, and individuals in the planning for and operation of the IDEA-B program. The Education Department General Administrative Regulations (EDGAR) at 34 CFR § 76.102 indicate that the IDEA-B grant application is considered a State plan.

A copy of the proposed 2024 IDEA-B grant application and the current IDEA-B policies and procedures are available by viewing the documents on:

<https://www.education.pa.gov/k-12/special%20education/idea/pages/default.aspx>

Alternative formats of the documents (e.g., Braille, large print, CD) can be made available to members of the public upon request.

PDE will accept written public comment beginning March 18, 2024, until May 17, 2024. The written comments should be directed to Timothy Krushinski, Special Education Adviser, Bureau of Special Education, PA Department of Education, 607 South Drive, 5th Floor-East Wing, Harrisburg, PA 17120 or emailed to tikrushins@pa.gov.

Public comment is also welcomed in alternative formats such as Braille, recorded comments, and telephone comments for individuals with disabilities. If you are a person with a disability and wish to submit comments by telephone, please contact Aaron Ios at 717.772.3500 or email at aioos@pa.gov.

Additionally, PDE will provide individuals wishing to present verbal testimony an opportunity to do so. One written copy of verbal testimony prior to the time of presentation would be appreciated. Presentations should be limited to 15 minutes.

Verbal testimony must be provided virtually on:

March 20, 2024
(3 p.m. - 6 p.m.)

To schedule an opportunity to present verbal testimony, or if you are a person with a disability and require an accommodation to participate in the proceedings, please call Aaron Ios at 717.772.3500 or email aioos@pa.gov no later than March 18, 2024. You will be provided with a link in order to participate.

Following receipt of all written and verbal comments, PDE will consider all comments and make any necessary modifications to the proposed 2024 IDEA-B grant application before submission of its FFY 2024 IDEA-B grant application to the Secretary of the U.S. Department of Education and the revisions to the Significant Disproportionality procedures before implementation.
