

Find Your Security Administrator

1. Login to the Education website <http://www.education.state.pa.us> . Please note that you must have a portal login id and password to complete this task.
2. The Security Administrator for your institution can be found in: My PDE>Applications>Information. In the left hand navigation click **My PDE**, click **Applications**, then click **Information**:

3. Find the desired Application and click on Local Application Administrators.

Home > My PDE Apps > Application Descriptions

Application Descriptions

The following applications are available to PDE employees and authorized users at local educational institutions. To see a list of local application administrators, click the icon for Local Administrators. If you believe that you should be authorized to access one or more of these applications, you can change your application registration options by editing your User Account Profile.
