The reimbursement rates for the 2016 Summer Food Service Program have been released by the United States Department of Agriculture (USDA) and are in effect from January 1, 2016 through December 31, 2016. They are as follows:

<u>Meal Type</u>	<u>MAXIMUM RATES</u>		
	<u>Operating Rates (Food, Food Related and Site Labor)</u>	<u>Regular Administrative Rates</u>	<u>Self-Preparation or Rural Administrative Rates</u>
Breakfast	\$1.94	\$.1525	\$.1925
Lunch or Supper	\$3.39	\$.2950	\$.3550
Supplement	\$0.79	\$.0750	\$.0975

These rates represent the maximum amount of reimbursement that a sponsor may earn for each eligible meal documented as having been served to an eligible child. Your reimbursement will be the maximum reimbursement rate times the documented number of meals served. You are to use the new rates to prepare your program budget.
