Statements of Understanding and Affirmation:

I understand that in order to receive Act 45/PIL hours/CPE credits or PQAS hours for a course, I must participate in all activities, attend all sessions and complete all assigned work, including the NISL Action Learning Project. In the event that I must miss a day or part of a day of training, I will make up the session in either my region or another region.

I understand that there will be a considerable amount of preparation including prior reading assignments and, in some cases, online work for each unit.

I understand that I will be expected to complete job-embedded activities throughout the course along with a culminating project to receive Act 45/PIL hours.

I understand that NISL Course One participants, are highly encouraged to attend a short orientation session prior to the beginning of the course. This preparation is essential and may ensure that the participant is able to remain in the preferred cohort.

I affirm that my supervisor: (1) supports my participation in this program; and (2) agrees to provide release time for me to attend all course sessions.
