

Proposed PIMS Data Collection Change Request

Title: Combine Court (B) and Agency Placed (R) Student Status Codes into one code (R)

PDE Program Office: Office of Data Quality

Impacts PIMS collection window:

Collection 1 Collection 2 Collection 3 Collection 4 Collection 5 Full Year

Type of change: Check all that apply:

New Dataset Definition Change Add Elements Code Set Change
 Remove Dataset Remove Elements Collection Window Change
 Other: _____

PIMS Template to be added/modified: Student

New/modified data elements (related to PIMS Template): Student Status

Granularity of data being collected: Detail (individual student or staff) Aggregate

Purpose of collection or modification: ODQ only uses Student Status B and R to attribute students to the state. There is confusion as sometimes a student is agency placed by order of the court. To reduce confusion and eliminate an unneeded code We will drop student status B and use R as "Court And/Or Agency Placed."

Estimated Burden to LEA: Low
