

Proposed PIMS Change Posting

Title: Add School Calendar, Calendar Program Codes, for PRRI use only.

PDE Program Office:

Division of Subsidy Data and Administration

Purpose of collection or modification:

In order to appropriately allocate State funding, PDE seeks to add to the existing table Calendar Program Codes for PRRI use only (PIMS User Manual, Volume 2, Appendix N).

Burden to LEA:

PRRIs submit information that is already contained in their local Student Information System for "out-of-state" students. This request would require the PRRI to add a separate School Calendar to segregate this membership.

There is no change to the School Calendar or Student Calendar Fact template. This change would pose a minimal impact to the PRRI.

Rationale:

This request will serve two purposes: 1) assures that PRRIs are segregating out-of-state membership when submitting data to PDE and 2) eliminated extra work currently being done by PDE staff to separate out-of-state membership reported on existing School Calendars.

Impacts PIMS collection window:

Collection 5—PIMS Child Accounting end-of-year collection.

New/modified data elements (related to PIMS Template):

Add two Calendar Program Codes, PRRI-O and PRRI-OS, to the table of codes in PIMS User Manual, Volume 2, Appendix N.

Interested persons are invited to submit comments to RA-PIMSComment@state.pa.us on or before 05/29/2015.
