

Proposed PIMS Change Posting

Title: New code set for PVAAS adding “no change”

PDE Program Office: Division of Data Quality and OESE

Purpose of collection or modification: Assist the PVAAS vendor in creating user accounts and eliminate confusion.

Burden to LEA: Minimal impact to LEAs

Rationale: This is a code set modification request. The Staff template’s Job Description (field #8) is used to assist the PVAAS vendor in creating user accounts. Adding a new value will help eliminate confusion. The new value will represent “no change” in the PVAAS system.

Impacts PIMS collection window: Full year – Staff template

New/modified data elements (related to PIMS Template): Specific details regarding this indicator will be released in the 2015-16 PIMS user manual.

Interested persons are invited to submit comments to RA-PIMSComment@state.pa.us on or before 05/29/2015.
