

Proposed PIMS Change Posting

Title: 2015-16 SY Change Requests for Performance Analysis and Reporting

PDE Program Office: Division of Performance Analysis and Reporting/Bureau of Curriculum, Assessment and Instruction

Purpose of collection or modification: Seeking a way to capture data about student testing to include those students who are end-of-course testers, re-testers, opt-out (religious exemption), other (non-religious exemption) or medical exemption. These data are needed in accountability reporting. The 2016 PIMS Change Request is to improve data collected from LEAs.

Burden to LEA: Possibly an additional data field to submit on upload for accountability internal snapshots.

Rationale: Use data for accountability reporting

Impacts PIMS collection window: None, PIMS calendar will reflect the dates of the PSSA and Keystone testing window sometime in April and May of each year.

New/modified data elements (related to PIMS Template): Dependent on solution.
