Description: An instructional program that prepares students for employment related to institutional, commercial or self-owned food establishments or other food industry occupations. Instruction and specialized learning experiences include theory, laboratory and work experience related to planning, selecting, preparing and serving of quantity food and food products; nutritive values; use and care of commercial equipment; safety; and sanitation precautions. Instruction skills are provided to individuals desiring to become employed in all areas of the food service industry at entry level.

Notes: * Effects newly assigned persons only.
Professionals are limited in what they are allowed to teach within this program. Instructors can only teach in the area they are currently certified to teach. The following instructional certificates are no longer issued but remain valid for teaching in this program:
