Family & Consumer Sciences 5600	Instructional (degree program)	N/A	N/A

Description: An instructional program that prepares individuals to serve dependent members of our society by assisting them with personal, family and home care. This program includes instruction in the care and guidance of children; care of the aged, handicapped or convalescent; nutrition and meal planning; marketing and food preparation and service; grooming and dressing; care and laundering of clothing and household linens; managing and performing household tasks; cleaning and caring for home furnishings and household equipment; practice of safety measures and sanitation; answering correspondence and paying bills; organizing outings for exercise or social activities; reading and playing games; and community services available. Programs prepare individuals to perform other related duties to promote wellness and independent living or to work in institutions providing similar care.

Notes: The following certificate is no longer issued but remains valid for teaching in this program:
 Home Economics 5605
 Homemaker's Aide 2212

This CIP is no longer eligible for new program approval.
