INDEPENDENT AUDITOR'S REPORT

December 1, 2020

To the Board Directors
Pennsylvania Virtual Charter School
King of Prussia, Pennsylvania

Report on the Financial Statements

We have audited the accompanying financial statements of the Pennsylvania Virtual Charter School, a nonprofit organization, which comprise the statement of financial position as of June 30, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

To the Board of Directors
Pennsylvania Virtual Charter School

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Pennsylvania Virtual Charter School as of June 30, 2020, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the Pennsylvania Virtual Charter School's June 30, 2019 financial statements, and we expressed an unmodified opinion on those audited financial statements in our report dated November 26, 2019. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2019 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Matter

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"), is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

To the Board of Directors
Pennsylvania Virtual Charter School

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 1, 2020, on our consideration of Pennsylvania Virtual Charter School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Pennsylvania Virtual Charter School's internal control over financial reporting and compliance.

PENNSYLVANIA VIRTUAL CHARTER SCHOOL

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2020

NOTE 1 NATURE OF THE ORGANIZATION

The mission of the Pennsylvania Virtual Charter School ("the School") is to provide Pennsylvania students with an excellent education, grounded in high academic standards, which will help them achieve their full academic and social potential. The School is organized as a nonprofit corporation in Pennsylvania to operate a charter school in accordance with Act 22 of 1997.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the School have been prepared using the accrual basis of accounting.

Financial Statement Presentation

In accordance with the portion of the Financial Accounting Standards Board Accounting Standards Codification ("FASB ASC") regarding financial statements of not-for-profit organizations, the School is required to report information regarding its financial position and activities according to two classes of net assets: net assets with donor restrictions and net assets without donor restrictions. In addition, the School is required to present a statement of cash flows.

Income Tax Status

The School is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and, therefore, has no provision for federal income taxes. The School has been classified as an organization that is not a private foundation under Sections 509(a)(1) and 170(b)(1)(a)(iv) of the Internal Revenue Code. The School did not engage in any unrelated business activities during the fiscal year. Management believes more likely than not that its tax-exempt status and tax positions will be sustained if examined by authorities.

Cash and Cash Equivalents

The School considers all short-term highly liquid investments with an original maturity of three months or less to be cash equivalents.

Accounts and Grants Receivable

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through an assessment of the current status of individual receivables from grants, contracts, and others. Balances that are still outstanding after management has used reasonable collection efforts are

written off through a charge to the valuation allowance and a credit to the applicable accounts receivable.

Property and Equipment

Acquisitions of property and equipment in excess of \$1,000 are capitalized. Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend the life of the asset are not capitalized. Depreciation is recognized over the estimated useful life of the assets utilizing the straight-line method, as follows:

Buildings and improvements	5 - 40 years
Furniture and equipment	3 - 7 years
Computer equipment	3 years

Compensated Absences

School policies permit employees to accumulate earned but unused sick and vacation days. The policies limit the number of days employees may be paid out to five. The liabilities for these compensated absences are recorded as a liability in the financial statements.

Advertising Expense

The School is required to accept students from throughout the Commonwealth of Pennsylvania. Accordingly, the School advertises to ensure citizens of the Commonwealth are informed of the School's mission. The School expenses the production cost of advertising when incurred.

Allocation of Functional Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Expenses are allocated to program and supporting services based upon employees' time for each function, purpose of each expenditure, and service provided for each program.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

Prior Year Financial Statements

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the School's financial statements for the year ended June 30, 2019, from which the summarized information was derived.

NOTE 3 CASH AND CASH EQUIVALENTS

Custodial credit risk is the risk that in the event of a bank failure, the School's deposits may not be returned. The School maintains five bank accounts at TD Bank, NA. Accounts at this institution are insured by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000. At June 30, 2020, the carrying amount of the School's deposits totaled \$10,434,329, and the bank balance was \$11,116,195. Of the bank balance, \$250,000 was covered by federal depository insurance, and \$10,866,195 was exposed to custodial credit risk because it was uninsured, and the collateral held by the depository's agent was not in the School's name. However, the exposed deposits were collateralized in accordance with Act 72 of the Commonwealth of Pennsylvania.

NOTE 4 ACCOUNTS RECEIVABLE

Accounts receivable at June 30, 2020 consisted of the following:

NOTE 10 PENSION PLAN

Plan Description

The School contributes to the Public School Employees' Retirement System ("PSERS"), a governmental cost-sharing multiple-employer defined benefit pension plan administered by the Commonwealth of Pennsylvania Public School Employees' Retirement System. The PSERS provides retirement and disability, legislative-mandated *ad hoc* cost-of-living adjustments, and certain healthcare insurance premium assistance to plan members and beneficiaries. The Public School Employees' Retirement Code (Act No. 96 of October 2, 1975, as amended) provides the authority to establish and amend benefit provisions. The PSERS issues a comprehensive annual financial report that includes financial statements and required supplementary information for the plan. A copy of the report may be obtained by writing to the Public School Employees' Retirement System, P. O. Box 125, Harrisburg, Pennsylvania 17108-0125.

PENNSYLVANIA VIRTUAL CHARTER SCHOOL

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2020

NOTE 10 PENSION PLAN (cont'd)

Funding Policy

The contribution policy is established in the Public School Employees' Retirement Code and requires contributions by active members, employers, and the Commonwealth. Eligible active members contribute at 7.5 percent of their qualifying compensation. Contributions required of employers are based upon an actuarial valuation. For the fiscal year ended June 30, 2020, the rate of employer contribution was 34.29, allocated 33.36 percent to pensions, 0.09 percent to Act 5 defined contribution, and 0.84 percent to health insurance. The School's contribution to PSERS for the years ended June 30, 2020, 2019, and 2018 was \$4,163,940, \$3,636,351, and \$3,539,206, respectively, equal to the required contribution.

NOTE 11 COMMITMENTS AND CONTINGENCIES

The School is subject to various claims, legal proceedings, and investigations covering a wide range of matters that arise in the normal course of business. In the opinion of management, all such matters are adequately covered by insurance, and if not so covered are without merit or are of such kind, or involve such amounts, as would not have a significant effect on the financial position or results of activities of the School if disposed of unfavorably.

NOTE 12 UNCERTAINTIES

COVID-19 Pandemic

As a result of the spread of the COVID-19 coronavirus which was ongoing at June 30 2020, economic and operational uncertainties have arisen which may impact the School in fiscal year 2021. The extent of the potential impact is unknown as the COVID-19 pandemic continues to develop.

Grants

The School receives financial assistance from federal and state agencies in the form of grants. The disbursement of funds received under these programs generally requires compliance with terms and conditions specified in the grant agreements and are subject to audits by the grantors or their representatives. Any disallowed claims resulting from such audits could become a liability of the School. Management believes such disallowance, if any, would be immaterial.

PENNSYLVANIA VIRTUAL CHARTER SCHOOL

NOTE 13 LIQUIDITY AND AVAILABILITY OF RESOURCES

The School's financial assets consist of cash and cash equivalents, accounts receivable, and grants receivable.

Financial assets, at year-end	<u>\$14,316,580</u>

INDEPENDENT AUDITOR'S REPORT ON
INTERNAL CONTROL OVER FINANCIAL REPORTING AND
ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS

December 1, 2020

To the Board of Directors
Pennsylvania Virtual Charter School
King of Prussia, Pennsylvania

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Pennsylvania Virtual Charter School ("the School"), a nonprofit organization, which comprise the statement of financial position as of June 30, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 1, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting ("internal control") to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the School's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

To the Board of Directors
Pennsylvania Virtual Charter School

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON
COMPLIANCE FOR EACH MAJOR PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE

Pennsylvania Virtual Charter School

Report on Compliance for the Major Federal Program

We have audited the Pennsylvania Virtual Charter School's ("the School") compliance with the types of compliance requirements described in the OMB *Compliance Supplement* that could have a direct and material effect on the School's major federal program for the year ended June 30, 2020. The School's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and recommendations.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for the School's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the School's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

To the Board of Directors
Pennsylvania Virtual Charter School

We believe that our audit provides a reasonable basis for our opinion on compliance for the School's major federal program. However, our audit does not provide a legal determination of the School's compliance.

Opinion on the Major Program

In our opinion, the Pennsylvania Virtual Charter School complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2020.

Report on Internal Control Over Compliance

Management of the School is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the School's internal control over compliance with the types of requirements that could have a direct and material effect on its major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for its major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the School's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Purpose of This Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
