

May 24, 2017

Dr. Michael Schreck
Superintendent
Shenango Area SD
2501 Old Pittsburgh Road
New Castle, Pa 16101-6095

Dear Dr. Schreck:

I have been informed that the areas of noncompliance cited as a result of the special education compliance monitoring visit conducted on December 12, 2016 have been corrected as of May 22, 2017 by the school district. It is with pleasure that I commend you and your staff for efforts made in achieving resolution of the noncompliance areas.

Please note, if you have improvement plans that were developed as a component of the corrective action plan, they will remain open and you are required to implement the improvement plans until the specific action for those items has been completed as approved by your adviser.

As you know, compliance monitoring is required by Federal regulations to determine a local education agency's compliance with Federal and State requirements for students identified as eligible for special education. Your response to the monitoring visit and subsequent corrective action assures the continuation of improved special education services to Pennsylvania students.

The Department of Education appreciates your cooperation and the Bureau of Special Education remains available to you should you desire further assistance in the future.

Sincerely,

Ann Hinkson-Herrmann
Director
