**Describe the LEA's system used to evaluate the performance of your teachers:**

We use the 426, 427 & 428 forms which were developed by PDE with Charlotte Danielson's input. Teachers are evaluated by their direct special education supervisor. Evaluations occur for tenured employees at least once a year and non-tenured employees at least twice a year. Training and review on evaluations is provided to the special education supervisors at least once a year. During the evaluation process, our employees are expected to provide a portfolio that reflects both strong areas and areas in need of improvement.
