TEACHER INFORMATION

Describe the LEA's system used to evaluate the performance of your teachers:

Each building principal is responsible for the evaluation of its faculty. Building principals conduct walk-throughs on a regular basis as an informal observation. Formally, new teachers are observed four times a year; experienced teachers, twice a year. (Experienced teachers have the option of opting out of a formal observation by submitting a differentiated plan.) The district revised its observation form beginning with the 2010-2011 school year (form submitted February 2011). After an observation, the principal conferences with the teacher to discuss the classroom visit. All teachers are evaluated using PDE approved form Athens-5501. New teachers are evaluated twice a year; experienced teachers are evaluated annually.

Does the LEA use the results of the teacher evaluation system described above in decisions regarding:

- a. Teacher Development? No
- b. Teacher Compensation? No
- c. Teacher Promotions? No
- d. Teacher Retention and Removal? Yes

The district follows the PA Code and would dismiss a teacher who has accumulated two (2) consecutive unsatisfactory evaluations. After one unsatisfactory evaluation, the building principal would develop an improvement plan and work closely with the teacher to improve performance.

Does the LEA teacher evaluation system described above include the following as evaluation criterion:

- a. Student Achievement Outcomes? No
- b. Student Growth Data? No

How often does the LEA formally evaluate:

- a. New Teachers (Less than 3 Years)? Twice a year
- b. Experienced Teachers (More than 3 Years)? Annually
