# Session Topics

- Introduction of Panelists
- Questions for Discussion
  - What local conditions exist in your schools that impact scheduling?  
e.g.- block scheduling, shared staff between buildings, etc.
  - What did you try that worked for your school/schools?
  - What did you try that did not work for your school/schools?
  - What impact did factors such as social distancing, limited student counts (hybrid, etc.), cafeteria service, and transportation have on your decision-making and ability to implement your program?
  - How did you gather input from and share information with your community?
  - What advice do you offer to other school leaders to consider as they prepare for next year?

- Open for Participant Questions for Panelists
- Follow-up Session: May 12, 2021
  - Link will be sent to participants of today's discussion and posted on the website

# Thank you to our panelists
