If you scored **100 points**, your campus is doing amazing work across the seven pillars of PA MASLOW. Congratulations on supporting Pennsylvania learners and helping them accomplish amazing things. We'd love to hear about some of your best practices to share with others.

If you scored between **70-90 points**, you're doing fantastic work to support your learners across the seven pillars of PA MASLOW. Look at the things you could improve and create an action plan. Let us know what you have in mind and how we can support you!

If you scored between **40-60 points**, you are off to a great start accomplishing the seven pillars of PA MASLOW. Look at the areas where you could do more, create an action plan, and gain additional support from your campus community. You can't do this alone, and we're here to help!

If you scored between **10-30 points**, you have begun the work of providing collegiate basic needs under the seven pillars of PA MASLOW. We look forward to seeing where you'll go and what you'll do next. Reach out to another institution that is further along in the work and collaborate on best practices. Let us know if we can help you connect to others!

If you scored **0 points**, it's time to get started on collegiate basic needs work for your students. By focusing on the seven pillars of PA MASLOW, you'll ensure your students are getting everything they need, that they have a sense of agency and belonging, and that they're on the path to health and prosperity.
