**Explanation of Substantial Differences**

As student enrollment continued to grow over the 2021-2022 school year, the school responded by hiring additional faculty, staff, and leadership to meet the needs of our students, their families, and our employees.  Note - The only employee of Insight PA Cyber CS with a contract is our CEO. All other employees are at-will. For the purposes of this report, if an employee was not separated from the school during the 2021-2022 school year or by the time of this report, we have indicated that they are "contracted for the following year".

**There were no substantial differences.**

## Fiscal Matters

**Major Fundraising Activities**
Insight PA has no major fundraising activities planned.

**Fiscal Solvency Policies**
The 2021-2022 school year was Insight PA Cyber Charter School's fifth year of operation. As indicated in our previous year's Charter School Annual Report, the school was then in the process of broadening and revising our financial policies. Since then, all fiscal policies and procedures were reviewed by internal staff and our auditors. Previously approved policies were updated, if needed, new policies were added, and all then approved by the Board of Trustees. A copy of the updated Financial Policies and Procedures Manual has been uploaded for this annual report. Also attached is the most current copy of the school's Uniform Grant Guidance Manual (UGG), related to federal funding. This manual was also approved by the Board of Trustees.

**Accounting System**
Insight PA Cyber Charter School uses the accrual method of accounting. The school utilized the Sage Intacct accounting application until February of 2020. In February 2020 the school switched to Netsuite that allows for alignment with the PDE's Chart of Accounts, along with being fully compliant with PA, GASB, and GAAP reporting requirements. The Netsuite secure, cloud-based financial management application includes accounting, cash management, purchasing, vendor management, financial consolidation, revenue recognition, contract management, project accounting, fund accounting, inventory management, and financial reporting functions.

## Charter School Law Affirmation

Pennsylvania's first Charter School Law was Act 22 of 1997, 24 P.S. § 17-1701-A et seq., which primarily became effective June 19, 1997, and has subsequently been amended.

The Charter School Law provides for the powers, requirements, and establishment of charter schools. The Charter School Law was passed to provide opportunities to teachers, parents, pupils and community members to establish and maintain schools that operate independently from the existing school district structure as a method to accomplish all of the following: (1) improve pupil learning; (2) increase learning opportunities for all pupils; (3) encourage the use of different and innovative teaching methods; (4) create new professional opportunities for teachers; (5) provide parents and pupils with expanded choices in types of educational opportunities that are available within the public school system; and (6) hold charter schools accountable for meeting measurable academic standards and provide the school with a method to establish accountability systems.

The charter school assures that it will comply with the requirements of the Charter School Law and any provision of law from which the charter school has not been exempted, including Federal laws and regulations governing children with disabilities. The charter school also assures that it will comply with the policies, regulations and procedures of the Pennsylvania Department of Education (Department). Additional information about charter schools is available on the Pennsylvania Department's website at: http://www.education.state.pa.us.

## Ethics Act Affirmation

Pennsylvania's current Public Official and Employee Ethics Act (Ethics Act), Act 93 of 1998, Chapter 11, 65 Pa.C.S. § 1101 et seq., became effective December 14, 1998 and has subsequently been amended.

The Ethics Act provides that public office is a public trust and that any effort to realize personal financial gain through public office other than compensation provided by law is a violation of that trust. The Ethics Act was passed to strengthen the faith and confidence of the people of Pennsylvania in their government. The Pennsylvania State Ethics Commission (Commission) administers and enforces the provisions of the Ethics Acts and provides guidance regarding its requirements.

The regulations of the Commission set forth the procedures applicable to all proceedings before the Commission as well as for the administration of the Statement of Financial Interests filing requirements. See 51 Pa. Code § 11.1 et seq.

The charter school assures that it will comply with the requirements of the Ethics Act and with the policies, regulations and procedures of the Commission. Additional information about the Ethics Act is available on the Commission's website at: http://www.ethics.state.pa.us.

## Charter Annual Administrative Certification Affirmation

All public school principals, including charter and cyber charter school principals, are subject to the applicable certification requirements of the Public School Code ( 24 P.S. § 11-1109) as well as any Act 45 continuing education and Pennsylvania Inspired Leaders (PIL) requirements. In keeping with the intent of section 1109, any person who devotes half or more of their time to supervision or administration in a public school, without an identified principal, is serving as the "principal" of the school regardless of the locally titled position (i.e., school director, head teacher, etc.). Such individuals must hold a valid administrative certificate and comply with all applicable Act 45 and PIL requirements. In addition, the public school should properly identify the individual as a principal in PIMS/PERMS regardless of the local title utilized.

The Charter School assures that the Public School Code ( 24 P.S. § 11-1109) as well as any Act 45 continuing education and Pennsylvania Inspired Leaders (PIL) requirements are met as outlined above.
