Dr. Stan J. Chapp  
Superintendent  
Armstrong School District  
410 Main Street  
Ford City, PA 16226-1613

Dear Dr. Chapp:

I have been informed that the areas of non-compliance cited as a result of the gifted education compliance monitoring visit conducted on November 28 and November 29, 2012, have been corrected by the school district. It is with pleasure that I commend you and your staff for efforts made in achieving resolution of the non-compliance areas.

As you know, compliance monitoring is required by Chapter 16 – Special Education for Gifted Students Regulations to determine a local education agency's compliance with State requirements for students identified as eligible for gifted education. Your response to the monitoring visit and subsequent corrective action assures the continuation of improved gifted education services to Pennsylvania students.

The Department of Education appreciates your cooperation and the Bureau of Special Education remains available to you should you desire further assistance in the future.

Sincerely,

  
Patricia Hozella  
Director
