						FSA 17 Public School Enrollment	<p>The LEA has identified two categories to be targeted for the Improvement Plan including Speech and Language and Specific learning disability (SLD).</p> <p>The LEA will meet with all Speech-Language Pathologists to review its procedures regarding identification and discuss trends and potential patterns and barriers. Each elementary speech pathologist has or will be instituting a new RTI initiative within their school called the Speech Improvement Program. Students will receive speech therapy services at a frequency based upon their needs. Emphasis will be placed on learning to produce misarticulated sounds correctly in isolation, syllables, phrases, and sentences.</p> <p>The LEA will review its procedures and practices regarding identification of students with SLD. A review and restructure of the pre-referral MTSS process is currently underway. The Special Education Department is involved as an integral part of this restructure with a focus on the tiered supports and review of interventions and curriculum students are receiving before they are referred to special education.</p> <p>Professional development in inclusive teaching practices and supporting students within the special education department will be conducted in the 21-22 school year for all special education teachers.
