					There is a lack of vocational skills, even before the pandemic. There needs to be a connection between the school and outside resources to bring real life experiences to students with disabilities. The Goals in the IEP are not being implemented to the full extent. Should provide regular life/job training experiences based on the skills of all students with disabilities. Needs more help. No consistency at school. Missing school, saying not interesting student, assignment confusing and not posted missing info. School district tries to hide things. Something is missing from services. Doing well in the school and am satisfied with the supports and services delivered and implemented by the school. Would like more information about services after graduation. Would like my child to have a one on one.
